

Dear Supporter of Hamilton Cheerleading,

Our 2019-2020 season is already underway. Since tryouts in April, our program has already started preparing for the season ahead. In the middle of June we will be attending the Universal Cheerleaders Association's Masters summer cheer camp where we will learn material, stunts, techniques, and ideas that will last us all season long. Come August, football season will be upon us and our team will be on the sideline for every game, boosting school spirit and acting as ambassadors for their school and community. Once school begins, our athletes will be up each morning for practice and conditioning before school. Additionally, they will participate in tumbling classes twice a week with our tumbling coach. They will perform at games, assemblies, community events, and will compete at several competitions throughout the year to continue our tradition of excellence!

While we do everything we can do to make our season cost effective for our athletes, cheerleading does not come without its expenses. From competition fees, travel expenses, uniforms, practice attire, instructional camps, etc., the costs can easily begin to add up. We believe that no athlete should be kept from cheerleading because of lack of funds and that's where you come in! As a member of our community, we hope that you will support these athletes and ambassadors and in return we would love to feature you on our sponsor t-shirt and our website. Our sponsor shirts will be worn by our athletes and parents at each game and event and will be great exposure for your company.

At your convenience, we would love for you to take some time to review our sponsor options below. You can visit our website www.hamiltoncheerleading.com to view what your funds will be going towards. Hamilton Cheerleading appreciates your contribution and your support; thank you for helping us achieve our dreams this season!
